Dear Prospective Applicant:

Thank you for your interest in joining the Fulton County Sheriff's Office V.I.P.E.R. Operations. The organization consists of a group of volunteers (non-paid) and state-certified deputies who support the core mission of the Sheriff's Office and the Fulton County community.

Enclosed you will find a background booklet and a candidate information letter. Please review the candidate information letter. This letter illustrates the requirements to obtain and maintain membership in the organization.

V.I.P.E.R. Operations is structured into five (5) core commands which supplement the regular staff members of the sheriff's office. Those commands are Retiree Operations, Field Operations, Special Operations, Office of Professional Standards (OPS), and Administrative Operations. In addition, members of our unit routinely support community and philanthropic activities for the citizens of Fulton County.

Below is a step-by-step process that you will need to complete prior to submission of your application.

We thank you in advance for your interest in the organization. It will require hard work and dedication on your part, but you will, in turn, inherit a whole new family that is dedicated to serving the citizens of Fulton County.

Sincerely,

Jarrett Gorlin
